Nourish Your Body. Boost Your Energy. Feel Like Yourself Again.

The Menopause Diet for Busy Women is your practical, compassionate guide to feeling healthier, stronger and more energized during perimenopause, menopause and beyond. With 55 delicious recipes, a 12-week meal plan and simple daily practices, this book helps you nourish your body, manage your weight, boost your energy and improve your overall wellbeing — without spending hours in the kitchen.

- **55 Easy & Delicious Recipes**
- **12-Week Meal Plan with Grocery Lists**
- **30-Day Yoga, Strength & Calm Plan**
- **Practical Tips for Energy, Weight Management and Better Sleep**
- **Evidence-Informed Guidance in a Friendly, Easy-to-Follow Format**

THIS BOOK IS PERFECT FOR YOU IF:

- You're navigating perimenopause or menopause and want clear, practical advice
- You're short on time but still want to cook healthy, satisfying meals
- You want to manage your weight and nourish your changing body
- You're looking for simple, realistic habits to boost energy, mood and sleep
- You want a balanced approach that fits into real life — no extreme diets, no complicated rules

With a focus on whole, nourishing foods, this book gives you the tools, recipes and routines to feel your best — now and in the years ahead.
